

2017 The Jewish Federation
Report to the Community

For over a century, we have worked with our supporters and partners to identify and address the most pressing issues in our community. Together, we are changing and saving the lives of those who need our help most — locally and globally. We care for Jews in need now and strengthen the next generations to ensure our Jewish future. Always with strategy. With innovation. With an eye on the horizon.

Looking ahead to the next 100 years, we are reaching out to a diverse group of Jews in new ways to connect with them and make a lasting impact on the world we share.

In a world that is increasingly complex, we are defining community for a new age. With the generosity and participation of committed, passionate individuals, we are touching every Jewish life in Los Angeles, Israel, and the world — starting with yours.

MESSAGE TO THE COMMUNITY

Dear Friends,

On behalf of The Jewish Federation of Greater Los Angeles and our lay leaders and professional staff, we thank you for your generous support in 2017.

We collaborate with our organizational partners and most dedicated leaders and donors to create the most strategic, meaningful, and inspiring work possible. This report offers insight into the local and global impact on Jewish life that we have made together — and continue to make.

We are grateful for your long-standing support and partnership in our efforts to touch every Jewish life in L.A., Israel, and the world — starting with yours.

With sincere appreciation,

CARING FOR JEWS IN NEED

In order to meet the needs of today, in Los Angeles and around the world, we support Jews in need and in crisis. As part of our commitment to inclusion, we empower and assist those living with all kinds of disabilities and include them in all aspects of Jewish life.

CARING FOR JEWS IN NEED **LIVING WITH DISABILITIES**

Los Angeles Jewish Abilities Center (LAJAC)

Through LAJAC.org (a virtual case management center) and the Knowledge is Power workshop series (its in-person component), we helped more than 3,808 Jewish adults living with special needs and their caregivers understand their rights, become self-advocates, and access local services. Launched with a grant from the Jewish Community Foundation.

Pooled Trust

In partnership with the Jewish LA Special Needs Trust, we provided financial protection and security for children and adults living with special needs.

The Right To Know

This partnership with Kesher in Israel provided advocacy, trainings, and legal advice for 5,600 professionals and caregivers raising children with special needs.

CARING FOR JEWS IN NEED **DEALING WITH DIFFICULT CHALLENGES**

Project Tikvah

In partnership with The Aleph Institute, we launched this program for young adults facing incarceration due to addiction or mental health issues. It offers intervention, advocacy, and support, benefitting both the at-risk individuals and the families that love them.

Girl's Fitness

With Aish Tamid as our partner, we helped provide a safe place for teenage girls and young women where they can find themselves, reconnect with our community, and become productive members of society. This program encourages positive self-development through healthy peer relationships, fitness, and mentorships.

CARING FOR JEWS IN NEED **HOLOCAUST SURVIVORS**

Home Health Care in Los Angeles

Working with our partner Jewish Family Service, last year we helped 60 Holocaust survivors with activities that allowed them to live with dignity and independence in their own homes. Services include personal care, grocery and personal shopping services, light housekeeping, transportation and accompaniment to medical appointments — and companionship and conversation.

Our Partnership with Aid for Life in Israel

This partnership with Israel's Latet conveys a message of solidarity, respect, care, and concern for Holocaust survivors living below the poverty line in Israel. Last year, we helped 1,035 Holocaust survivors with food packages, funds for medical emergencies, home safety improvements, and pairing them with volunteers for year-round home visits.

CARING FOR JEWS IN NEED IN ISRAEL

Our Partnership with Unistream

To close the socioeconomic gaps in Israel and make the start-up dream a reality for underserved Israeli youth, in 2017 we announced our multi-year strategic partnership with Unistream. This groundbreaking initiative offers leadership and business skills and world-class mentoring to youth who live in the periphery, far from the resources in major cities, and to young Israelis throughout the state who otherwise would fall behind and stay there. To date, at 20 Unistream centers in Israel, 3,000 alumni, and 2,000 teens have gained entrepreneurial skills changing their own lives and those of their families and communities — strengthening the future of the Jewish state by creating a generation that is prepared to succeed instead of remain behind.

ENGAGING WITH OUR COMMUNITY

We work to transform Los Angeles by developing partnerships with innovative nonprofits deeply engaged in issues of concern. We educate about and advocate for Israel with our neighbors.

ENGAGING WITH OUR COMMUNITY **CHANGING THE WORLD THROUGH ACTION**

Changemaker Challenge

For five years, this citywide challenge has helped innovative nonprofit organizations turn big ideas into reality, addressing some of L.A.'s most pressing issues like inequality, hunger, gridlock, and more. This annual process raises awareness and brings out the best in our city, working with new partners dedicated to effecting much-needed change — in the spirit of *tikkun olam*.

Community Service Days

Whether it's doing projects with seniors in assisted living, beautifying a school, weeding a garden, organizing supplies in a food pantry, or any number of other activities, throughout the year we bring volunteers together to bring Jewish values to life at locations all over Greater Los Angeles. In 2017, more than 450 volunteers worked with over 60 partner organizations during six days of hands-on giving back.

ENGAGING WITH OUR COMMUNITY OUR LEADERSHIP IN THE COLLECTIVE

The GA in L.A.

In 2017, our community was home to the General Assembly, the Jewish Federations of North America's annual gathering. Thousands of volunteer and professional leaders from Federations across North America, along with those in the business of Jewish philanthropy from around the world, came together for three days of inspiring speakers, best practice presentations, and invigorating conversations.

Hurricane Harvey Outreach

When Hurricane Harvey hit Houston, volunteers from Los Angeles arrived in force to help in recovery efforts. Working alongside members of the Jewish and greater communities, they helped homeowners remove debris and mold from their flooded residences. Their actions got these properties ready to be lived in once again.

MAYOR TOM BRADLEY ROOM

ENGAGING WITH OUR COMMUNITY STRENGTHENING THE CIVIC SPACE

Rautenberg New Leaders Project (NLP)

Based in Jewish values, this cutting-edge leadership development program prepared 24 emerging leaders with the skills, knowledge of civic issues, and introduction to leading policy makers to change the future of Los Angeles. For 26 years, alumni of NLP have successfully run for office, been appointed to government commissions, and become influential in Los Angeles civic life.

Building Relationships

To address the issue of homelessness, we engaged deeply through an educational forum, participated in the region's homeless count, and participated in other service projects. To build tolerance and understanding with our fellow community organizations, we celebrated Rosh Hashanah, Passover, and Chanukah with Federation and elected, community, and religious leaders.

ENSURING THE JEWISH FUTURE

If we don't, who will? Which means we need to start with our newest community members and stay with them to build Jewish identities that will ensure the next generation — and the next.

**ENSURING THE JEWISH FUTURE
OUR WORK WITH PARENTS AND THEIR INFANTS**

The First 36 Project

The First 36 Project is an innovative collaboration with the Simms/Mann Institute and Builders of Jewish Education. Each year, the program trains a diverse and cross-denominational group of 12 parent/me educators from Jewish organizations across the city in the cutting-edge neuroscience that they can then apply in meaningful discussions with their parents. Fellows gain greater confidence in key areas such as empathy and executive functioning, along with feelings of support and inspiration from their colleagues.

ENSURING THE JEWISH FUTURE OUR WORK WITH CHILDREN

PJ Library in Los Angeles

In partnership with The Harold Grinspoon Foundation, we gifted over 12,500 L.A. children ages six months through eight years old with Jewish-themed books and music. Our Community Connector program engaged many of these families through play and coffee dates, hikes, and more. Our sold-out Family Camp weekends introduced over 250 families to camp and one another. PJ Our Way engaged over 1,300 tweens ages nine through eleven in empowering opportunities created just for them.

The Family Camp Project

The Family Camp Project is a citywide effort to offer affordable, accessible, and high-quality immersive Shabbat weekends for families of varied religious affiliation with children up to age six. We strategically match Jewish early childhood programs and other organizations with one of our partner overnight Jewish summer camps. We partnered with five camps and 14 institutions, bringing 16 family camps filled with creative and inspiring weekends to over 330 families across our diverse landscape.

ENSURING THE JEWISH FUTURE
OUR WORK WITH TEENS

In partnership with the Jim Joseph Foundation, we touched the lives of 11,500 teens and engaged 1,530 teens through compelling and meaningful Jewish experiences that help them realize the Jewish values in their everyday lives. Our **Julie Beren Platt Teen Innovation Grants** and **Community Internship Program** inspire teens to discover the myriad ways one can “be Jewish” and provide them with the space to internalize for themselves what that means to them as emerging individuals. Our **Focus on Teen Wellness** efforts engaged 124 parents of teens in workshops giving them tools and tangible approaches for addressing parenting challenges. We celebrated the 20th anniversary of the program that connects 17 schools in L.A. with 17 schools in Tel Aviv and one in Vilnius, Lithuania.

ENSURING THE JEWISH FUTURE **COLLEGE LIFE**

Campus Experience

Through 16 partnerships at seven L.A. campuses, over 15,000 Jewish college students had access to engagement opportunities and felt safe on campus. Our partnerships created chances to express Jewish values, grow as Jewish leaders, and receive health and wellness services. Additionally, graduate students connected with each other across different campuses and networks and met professional mentors in their field.

Brawerman Fellowship

To date, this program has provided 15 college students from Los Angeles with leadership development, travel abroad including Israel, and generous college scholarships. Those chosen were often able to attend a school that would have been out of reach without this honor. And all Brawerman Fellows engaged in Jewish life in a variety of opportunities that foreshadow future leadership journeys.

ENSURING THE JEWISH FUTURE OUR WORK WITH YOUNG ADULTS

Community Leadership Institute (CLI)

Through our Community Leadership Institute, 70 young leaders gained the skills and experience they need to lead and absorbed the wisdom of their assigned mentors as they prepare to take on stewardship roles in Jewish Los Angeles. To date, 115 CLI alumni serve on boards and committees of L.A.-based nonprofits and initiatives, ensuring the future we want for coming generations.

The Network

This program engaged over 350 graduates of Federation Leadership programs, connecting them to each other and Jewish life through enrichment, skill-building, social events, and more. Through this network, young adults can expand their involvement and deepen their understanding of Federation's impact today and in the future.

ENSURING THE JEWISH FUTURE OUR WORK WITH YOUNG ADULTS

NuRoots

Over 3,000 young adults took part in NuRoots' three citywide festivals in diverse neighborhoods — curated gatherings that remixed and reimaged Hanukkah, Passover and Tu B'Av. NuRoots Fellows, who serve as our community connectors, helped inspire creative Jewish expression in hundreds of those in their 20s and 30s through Jewish meditations, storytelling, Shabbat dinners, and mindfulness workshops.

Honeymoon Israel

Through Honeymoon Israel Los Angeles, 60 committed couples that include a Jewish partner experienced Israel together for the first time. Whether LGBTQ or interfaith, our alumni report a new sense of belonging in a Jewish community, creating their own monthly Shabbat dinners, and those with children are enjoying PJ Library® books!

ENSURING THE JEWISH FUTURE **OUR WORK WITH YOUNG ADULTS**

LA Couples

Our first cohort included 14 couples who met monthly at the homes of dedicated leaders, many of whom happened to be LA Couples alumni themselves. They learned about our Federation, heard about the impact of their giving through inspiring speakers, and connected with one another. Throughout the year, three couples got married and four new babies were born — growing the LA Couples family!

Y&S Nazarian Young Leadership Initiative

150 Iranian Jewish young adults made a personal, one-on-one connection with the Federation, resulting in 4,250 connections with each other, the Federation and other organizations, and Federation opportunities that include programs and events celebrating Mizrahi and Sephardic culture.

ENSURING THE JEWISH FUTURE
**CONNECTING YOUNG ADULTS
IN L.A. AND ISRAEL**

In Los Angeles, more than 6,000 Jewish Angelenos in their 20s and 30s connected with each other and the community at over 140 professional, cultural, leadership, and volunteer experiences and citywide festivals. In Israel, approximately 1,200 Angelenos explored the Jewish state on **Birthright Israel LA Way** and **Onward Israel LA Immersive Experiences**, and 700 young adults provided 6,700 hours of volunteer service with **One Day Social Volunteering**.

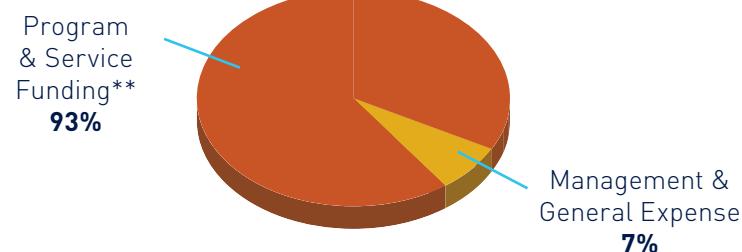

Thanks to your generous support, The Jewish Federation makes a tangible impact in the lives of thousands of people in Los Angeles, Israel and around the world!

THE BAR CENTER AT THE BEACH

On the edge of the Pacific, The Jewish Federation is building the most compelling destination for modern Jewish life.

We are taking a tired building that served a small population of elderly seniors and are creating a state-of-the-art space that will open endless possibilities for meaningful engagement across generations.

This stunning facility will be a magnet for dynamic expressions of Jewish life, elevating our senior programming, creating intergenerational experiences, and drawing young adults from across the city.

Through vibrant art exhibitions, sunset concerts, holiday celebrations, farm-to-table cooking classes, workshops with local innovators, and much more, we will unite toddlers, teens, and young adults with baby boomers and seniors.

We thank these visionaries for their support of our capital campaign to transform Jewish life in Los Angeles:
