The Jewish Federation’s Real Estate and Construction Network (REC)

REC Benefits at the Cabinet Level

- 8-10 networking events throughout the year. Averaging 125 people per event, there is no better place to build your personal and your professional brand. Topics for events range in scope from what’s hot in LA real estate, to what’s going on nationwide.

- Contribute to the life-changing work of the Federation and learn more about how we address the greatest challenges of Jewish life, locally and globally.

Cabinet members pledge a minimum gift of at least $1,000 to The Jewish Federation Annual Campaign and pay a $400 fee for all Cabinet events for the year.
