REC Benefits at the Cabinet Level

- Invitations to networking events throughout the year. There is no better place to build your personal and your professional brand. Topics for events range in scope from what’s hot in L.A. real estate to what’s going on nationwide, with unique opportunities to network on an individual level.

- Exclusive Cabinet member-only access to our REC LinkedIn group, to develop connections outside of events.

- Contribute to the life-changing work of the Federation and learn more about how we address the greatest challenges of Jewish life, locally and globally.

- Exclusive access to other Federation programming that has a minimum gift requirement at the Cabinet level (other events for Professional Networks and Emerging Philanthropists/Ben Gurion Society).

Cabinet Members pledge a minimum of at least $1,250 ($1,000 for Cabinet Members 35 and under) to The Jewish Federation Annual Campaign and pay a $400 programming fee for all Cabinet events for the year.

For more information, please contact the REC Network at RECCabinet@JewishLA.org or (323) 761-8327.
